## Vigilance Awareness Week

The Central Vigilance Commission observes the Vigilance Awareness Week from 27<sup>th</sup> October to 2<sup>nd</sup> November, 2020. This is observed every year during the week in which the birthday of Sardar Vallabhbhai Patel (31<sup>st</sup> October) falls. This awareness week campaign affirms our commitment to promotion of integrity and probity in public life through citizen participation.

In 2020, the Vigilance Awareness Week is being observed from 27<sup>th</sup> October to 2<sup>nd</sup> November, 2020 with the theme, "सतर्क भारत ,समृद्ध भारत - Satark Bharat, Samriddh Bharat (Vigilant India, Prosperous India)".

As you are all aware corruption is a major hindrance to the progress of the nation. All sections of society need to be vigilant in order to uphold integrity in all aspects of our national life. A society is expected to grow equitably. Uneven growth, concentration of wealth in the hands of a few and the widening of the gap between the rich and the poor are not healthy social/economical sides of a society.

For the term 'corruption' the Oxford Dictionary gives a minimum definition as 'dishonest or illegal behavior, especially of people in authority'. It's too narrow. Corruption is a serious and complex malaise. It goes beyond the money and materials. Favoritism, nepotism, late coming to office, not coming to office, under performance, carrying and spreading negative attitudes towards the system, siphoning off money and materials through direct or in indirect ways, working against the honest employees and many more are the wrong ways the sinful wealth gets amassed.

It's the bounden duty of everyone to be the carrier of absolute integrity at all times. The existing inequalities in the wealth distribution can be reduced only with the whole hearted participation of every citizen of the nation.

Jai Hind!
